AVISO II

Vera Andrew Harvey Poet-Educator

On December 27, 1979, Mrs. John Speed Harvey was named West Virginia's second Poet Laureate Emeritus by Governor Jay Rockefeller. Mrs. Harvey had served as the state's Poet Laureate from March 1960 to March 1961. This tribute, noteworthy in itself, is of special interest to Cedarville College. As a 1903 Cedarville graduate, Mrs. Harvey is the oldest known alumnus of the school.

Born February 8, 1885, Mrs. Harvey—then Vera Andrew—began her energetic, outgoing life in the village of Cedarville, Ohio. An audible witness to her interest in her hometown still rings out every half-hour in the 'ville: the beautiful chimes which she donated to the local Presbyterian Church.

Twenty-nine of those participating in Commencement will complete their academic work in August, 1980. The special certificates were for Secretarial Science.

Record Performance

"Outstanding job!" were the words of Gary Kuhn, Alumni Coordinator, used to describe the efforts of over forty alumni, students, faculty, and staff volunteers in this year's Phonothon. During the month of April, the Alumni Association launched the second consecutive Phonothon with the purpose of encouraging alumni to participate in the 1979-80 Annual Fund. Ten phones, specially installed in the Business Seminar Room of Collins Hall, were kept busy by the volunteers for three weeks on Monday, Tuesday, and Thursday evenings.

VERA HARVEY (continued from Page 1)

After graduating from Cedarville College, Vera Andrew earned a second B.A. degree from Mather College of Western Reserve University, and a master's degree in English from Columbia University. In 1916, she joined the faculty of Marshall College in West Virginia, but left in 1922 to become the wife of John Speed Harvey, a civil engineer. Of her students and the years she spent teaching at Marshall, she has said: "... they were all so willing and eager to learn. I wanted to give them as much as possible." Her learning and teaching career was rooted in a strong classical education, of which she is proud, and this classical influence is reflected in her poetry.

Yet, Mrs. Harvey's various public activities throughout the years also illustrate her keen interest in current life and events in the modern world. During World War I she sold War Bonds, and for 22 years served as executive director of the West Virginia Cancer Society. From 1925-27 she was president of the Women's Club of Huntington, of which she has been a member for 61 years. As Poet Laureate of the West Virginia State Federation of Women's Clubs since 1946 (she hasn't missed its annual convention for 22 years!), she is recognized as one of the state's most esteemed women. In 1962 she was appointed by the West Virginia governor's Centennial Commission as Chairman of a Centennial Poetry Committee in observance of the state's 100th birthday.

Touching the Stars, a collection of 51 of Mrs. Harvey's poems, was published by Banner Press, Emory University, Georgia, in 1954. She has also written two historical dramas and looks forward to soon publishing a second book of verse. In October 1977, she returned to Cedarville College for the Heritage Alumni Reunion and presented a poetic composition reflecting upon Cedarville's history and her eighty years of experience with the college.

Now 95, she lives with one companion, Blossom, a golden German Shepherd. Almost totally blind, she remains alert to the world around her by reading Talking Books and listening to television. Two Marshall University graduates, Sharon and Mike, are among those who help her with her business affairs,

correspondence, recording her compositions and other writings, shopping, and travel. An example of continuing wisdom, activity, and mental energy, she still follows the same advice on living she took to heart years ago: "Do the best you can with what you have where you are" (Theodore Roosevelt).

The TORCH/AVISO is grateful to The Press-Observer, Fort Gay, West Virginia, for the use of information in their publication of January 14, 1980.

In Forum

"Politics and Christian Involvement" was the theme of this year's annual In-Forum held at Cedarville College during the week of April 14. The meetings featured State Senator James Butcher of Indiana; State Senator "Buz" Lukens of Ohio; State Senator Ray Taylor of Iowa; John Dellenback, President of the Christian College Coalition; and Dr. Allen Monroe, professor of political science at the college.

The goal was to broaden and deepen student knowledge of the political arena and current governmental concerns, and to arouse an interest that will be backed up by personal action.

Topics included: "Your Responsibilities: Salt or Leaven"; "Constitutional Liberties vs. Humanism"; "Is there Cause for Christians to Form a Separate Political Party?"; "Should Christians Be Involved in Politics?"; "How do We Integrate Biblical Perspectives into Politics?"; and "Wake Up America." On Friday morning, Dr. Monroe concluded the conference with "Paul's View of the State."

Sponsored by Student Senate, the program emphasizes a specific discipline each year and seeks to provide a variety of current perspectives for student evaluation and understanding within a biblical framework. Past topics have been Apologetics with Victor Matthews, and Psychology with Jay Adams, Lawrence Cobb, and Gary Collins.

Cassette tapes of the various messages can be obtained by writing to Christian Education Publications, Cedarville College, P. O. Box 601, Cedarville, Ohio 45314.

Alumnae Coach Wins Honor

The accompanying picture was taken after the impressive 83-53 trouncing of the college of Charleston, South Carolina.

Dr. Jeremiah recently accepted the position of Head Coach of the Indiana University Women's Basketball Program. Maryalyce received several individual coaching honors which are discussed in the Times and Seasons' article in this Torch issue.

New Development Officer

On Monday, April 7, Mr. Charles Ross began his duties as Director of Development, replacing Rev. Lee Turner. Mr. Ross' last three years were spent as Director of Development for the Old Time Gospel Hour in Lynchburg, Virginia. Responsibilities included raising funds for Liberty Baptist College, Thomas Road Baptist Church, and the television broadcast.

Charles Ross was raised in Kane, Pennsylvania, and was graduated from Penn State University in 1957 with a B.S. degree in agricultural economics and rural sociology. After graduation, he served as Assistant County Agent for Penn State University. In 1961 he

became a County 4-H Agent for the University of Connecticut. In 1967 he took the position of Assistant Director of Development at Worcester Polytechnic Institute in Worcester, Massachusetts. Other positions held include Director of Development at Trumbull Memorial Hospital, Warren, Ohio; and Vice President of Development, Aurora College, Aurora, Illinois. In June 1977, he went to Lynchburg.

Mr. Ross sees Cedarville as an opportunity to use his professional training at a college that is standing true to the Word of God. He enjoys the warmth and sincerity of the students here.

The immediate projects that confront the development director are funding for the Athletic/Academic Center and long-range funding. He believes Cedarville College is one of the "best kept secrets in America," and he plans to get the story about Cedarville College out to places where funding is possible.

Mr. Ross and wife Martha have two daughters, Sandi, 17, and Sara, 14.

North Central Accreditation

In 1975, Cedarville College was granted full accreditation by the North Central Association of Colleges and Schools subject to a five-year review. On April 21-23, 1980, the North Central team was again on campus to see if the college was maintaining the school's high standards. The team included a college president, an administrator, and two professors.

In preparation for this visit, the Cedarville faculty and staff completed an extensive self-study. It states the mission of the college and the ways in which the school is accomplishing these purposes. To validate this, the team from North Central carefully looked over the facilities, faculty, staff, finances, and achievement of objectives.

Preliminary indications are that the team will recommend that full accreditation be continued with a review in seven years. The final decision will come later in the summer.

Grand Rapids Alumni Meet

To the 72 alumni, spouses, and friends who came together in Grand Rapids, Michigan, on April 13, it only seemed to be a warm, informal time of fellowship. But, in fact, it was a record-setting event. This was the largest off-campus Cedarville alumni gathering ever.

Jim Engelmann, the alumni council chairman, drove to the meeting from Flint, Michigan, and the Abundant Life Singers came all the way from the college. The meeting was held at the Grand Rapids Baptist Seminary as alumni traveled from Kalamazoo, Benton Harbor, Muskegon, and other less-distant cities.

The program consisted of music by the students, a glimpse at the most recent student recruitment media, an alumni and campus news update, and plenty of good conversation over cake and coffee.

Dan ('69) and Suzie (O'Shell '68) Stevens, who hosted the event, challenge alumni in other cities to "get with it" and do social organizing. A few phone calls, a little planning, and a mailing from the alumni office may be all that it would take to accept the challenge of the Grand Rapids area alumni.

Even if your attempt is not a record-breaker, friendships will be renewed, your awareness of Cedarville's progress will be increased, and the Alumni Association will have gone one step further in fulfilling its purpose.

Sports Update

Track Team Finishes Strong

The Cedarville College Track Team had good showings in the Cedarville Relays, the National Christian College meet, the MOC meet and District 22 competition, finishing runner-up in each meet except a close third in the NCCAA which was hosted by Cedarville.

Strong individual performances by Yellow Jacket track men this season included a record pole vault leap by senior Mark Peters going 15'6". Senior Tom Yater covered the 3000-meter steeplechase course in 9:41. Transfer student Gary Yeager high jumped to a record height of 6'7". Quarter-milers, sophomore Mark Bubel and freshman Craig Herl, turned in splits of 49.4 and 50.2 respectively, finishing 1-2 in the MOC meet.

Winners of the NCCAA All-American honors were 1st place finishers Bubel and Yeager. Mark Peters' vault qualified him to compete in the NAIA Nationals in Texas.

Baseball

Finishing 16-16, the Yellow Jacket baseball team had a lot of things to be happy about. For first-year coach Keith Clark, the season was a good introduction to the type of competitive ball played by the Jackets.

"Definitely things will be done differently next year," commented the coach. "For one thing, I have seen the players and know their abilities. Next year, people will have to break into the lineup, whereas this year I had to get a look at everyone to determine a lineup."

This year's lineup was one of the youngest that Cedarville has ever fielded. "The emphasis on youth will have its effects in the years to come," according to the coach. Two of Clark's key evidences of this fact can be seen in his infield, where sophomores Ed Stewart and Ron Hobar were honored as NAIA All-District and MOC All-Conference players as shortstop and first base, respectively.

Cedarville's lone senior in the starting lineup, Marty Devine, took All-District honors for his play in right field and for his bat.

Greg Greve, a junior first baseman, pitcher, and designated hitter, was chosen as the MOC's DH on the All-Conference team this year.

Coach Clark is already working on his schedule for next year, which includes plans for the spring training Florida trip.

PHONOTHON (continued from Page 1)

The Phonothon goal was set at \$20,000, a \$6,000 increase over the total amount pledged last year. It was exciting to see phoners ring pledge bells and hear them say, "Praise the Lord," as pledges were received. As far west as California and as far east as the Jersey shore, alumni were surprised to hear, "Hello, I'm calling from Cedarville College." The enthusiasm and sacrifice of many volunteer phoners contributed to this year's Phonothon success. Mr. Kuhn announced that a total of \$20,261 was pledged—the result of over 523 alumni participating.

"This type of fund raising is very efficient," remarked Mr. Kuhn. "The total expense for this year's Phonothon was approximately \$2,000, only ten percent of the total amount pledged."

Women's Softball — Sixth

The Women's Softball Team ended the 1980 season with a 15-11 record, placing sixth in the OASW Division 3 State Tournament. Senior Vicki Butler was named to the All-Tournament Team on the basis of outstanding performance at first base.

Coach June Kearney commented that she was very pleased with the season, especially their performance at State Tournament as compared with other years. A big plus was the fact that this was the first year for three divisions, and competition was much more even.

Deb Fakan ended the season with the highest batting average, .483. Vicki Butler hit the most home runs, 4, and was named as most valuable defensive player for her "stretching" ability at first base.

Tennis Captures Title again

NAIA District 22 tennis championships have come quite frequently and in succession over the past fourteen years at Cedarville College.

After successively winning their twelfth Mid-Ohio Conference championship and placing six men on the MOC all tourney team, the Yellow Jackets promptly went into action in the NAIA district 22 tournament.

The Jackets' depth became apparent in the first two rounds of action as Cedarville compiled 17 of 18 possible points and secured the team victory quite early in the tournament.

The 1980 team also secured an 18-2 win/loss record over the entire regular season. During his fifteen years of coaching at Cedarville, Coach Murdoch has compiled a 242-26 record.

In accordance with his tremendous record and leadership of this year's championship team, Coach Murdoch was recognized as the NAIA District 22 Coach of the Year for the 1980 season.

In reflecting on the success of the team in 1980, Murdoch said he "never had coached a team which developed its potential so quickly." The 1980 tennis squad is a young team and Murdoch hopes that its young, driving spirit of team play will carry it to success in the NAIA National Tournament in Kansas City, Missouri.

The Women's Tennis Team completed what Coach Pamela Diehl considers to be a successful season. The women won 4 while losing 7 matches. Individual performances in two singles and two doubles competition earned the right to appear at the State Tournament.

Golf — 3rd in District

The Cedarville College Golf Team ended the 1980 season with a 3-8 record, but with individual accomplishments more indicative of the team's actual strength, according to Coach Al Monroe.

In the Mid-Ohio Conference and NAIA District 22 Tournaments, Cedarville faced rivals Malone, Tiffin, and Walsh. Coach Monroe asserts that competition in the MOC is toughest of any conference.

In the NCCAA National Meet, Cedarville placed second of six teams—one stroke away from Marion's winning total.

Sophomore Mark Womach was cited as ALL-NAIA for the second consecutive year.
